Report, dated 25th June 1900, by Mr. F. E. C. Carr, Deputy Commissioner, on the administrative arrangements in the Kolar district and particularly on the working of the Police and the Magistracy in the Kolar Gold Fields.

2. Letter, dated the 29th June 1900, from the same Officer, submitting proposals for the Police administration of the Kolar Gold Fields.

3. Letter, Camp No. 50, dated 30th June 1900, from the Inspector General of Police, together with proposition statements.

No. 3257-60—J. 342, DATED BANGALORE, 31ST AUGUST 1900.

ORDER THEREON—With the growth of the Gold Mining industry in the Kolar district, the Government have from time to time improved and strengthened the Police Force attached to the Gold Fields, and they will continue to further improve the same, as occasion arises, in such manner as may be found necessary. The necessity for such further improvement having now arisen, a careful investigation of the Police requirements of the Kolar Gold Fields was recently ordered to be undertaken by the Inspector General of Police and by Mr. F. E. C. Carr, Deputy Commissioner, who was specially deputed for the purpose from the Kadur district.

2. After careful consideration and consultation with Mr. Carr, the Inspector General of Police has submitted his proposals for a thorough re-organization of the Police arrangements now in force in the Gold Fields.

3. The circumstances which call for special attention in connection with the Police administration of the Kolar Gold Fields are:—

1st. The large number of European employees in the Mines, of all grades of culture and social position.

2nd. The absence of adequate supervision over the various operations connected with the extraction of gold carried on within the premises of the different Mines; and

3rd. The consequent need for special watching of the dealings which the Mines' employees carry on with people residing at or in the neighbourhood of the Fields or at a distance from them.

4. For the special protection of the interests of the Kolar Gold Fields, a European Magistrate and Justice of the Peace is already stationed on the spot. A European Assistant Superintendent of Police is also attached to the Fields; but in order that the relations of the Police with the European employees of the Mines may be free from friction of all kinds and that the arrangements for the prevention and detection of crime may be placed at the highest possible standard of efficiency, the Government have now resolved, as an experimental and tentative measure, to place a European Officer of high status and special police experience, as Superintendent of Police, at the head of the Kolar Gold Fields' Force, with jurisdiction over the neighbouring taluks of Bowringpet, Malur and Mulbagal. Application will at once be made to the Hon'ble the Resident in Mysore for obtaining from the British Government the services of a competent Officer for the purpose, for a definite period of three years. The Government are prepared to provide a maximum pay of Rs. 1,000 a month for such an Officer, but the pay actually to be given will depend upon the status of the Officer selected. Including travelling allowance, contribution for pension and exchange compensation allowance, the total cost on account of the new Superintendent of Police is estimated at Rs. 15,000 a year, and to involve an increased cost of Rs. 11,280 per annum, deducting the pay of the present Assistant Superintendent.

5. In Mysore, the Deputy Commissioner is the head of the District Police. The Deputy Commissioner of the Kolar district has always devoted his special attention to the Police administration of the Gold Fields, and this he will continue to do under the new scheme. The Government have further recently transferred, for the charge of the Kolar district, as a temporary measure, Mr. F. E. C. Carr, Deputy Commissioner, who possesses a large experience of Police work and of general District administration. He will, under the supervision of the Inspector General of Police, organize the details of the new scheme; put the Police Superintendent in the way of satisfactorily discharging the duties of his important charge; and do all that may be needful for ensuring the successful working of the arrangements now ordered. The extent of the supervision and control he should exercise over the work of the Police Superintendent, the frequency and duration of his visits to the Fields, &c., are matters which must be left to Mr. Carr's estimate of requirements. It is, however, desirable that the special attention he is expected to devote to the Police of the Kolar Gold Fields should not be at the expense of the interests of the general administration of the district, in many parts of which, important duties will often claim his attention as Deputy Commissioner. Mr. Carr's endeavour should, therefore, be to place the Police, Magisterial and the general Executive Staff of the Kolar Gold Fields upon a satisfactory working basis as quickly as possible.

6. During his employment in the Kolar district in special connection with the arrangements now ordered, Mr. Carr, as Deputy Commissioner, will be given a special allowance of Rs. 300 a month.

7. The proposals of the Inspector General of Police for the additional Police establishments, &c., required for the Gold Fields are briefly as shown below :—

The appointment of a Superintendent of Police of high status in the place of the present Assistant Superintendent of Police at an additional annual cost of Rs. 11,280.

The increase of the establishment of the Superintendent's Office at an additional cost of Rs. 996 per annum.

The enlargement of the Executive Police Force employed on the Gold Fields by raising the strength from 17 Officers and 85 men, costing Rs. 22,548, to 22 Officers and 125 men at a cost of Rs. 31,836. (Increase in cost—Rs. 9,288 per annum).

Under this head a small increase is made to the local allowance given to Head Constables, and a good service allowance proposed as an encouragement to Constables at the rate of one rupee after two years', two rupees after three years' and three rupees after five years' approved service.

The increase of Miscellaneous charges, such as office contingencies, rewards, secret service, &c., by Rs. 2,230.

The construction of buildings at a total estimated cost of Rs. 65,000; consisting of Police Lines for Constables (Rs. 35,000); Head Constables' quarters (Rs. 15,000); quarters for the Superintendent of Police (Rs. 10,000) and offices for the Superintendent (Rs. 5,000).

It is proposed that the Lines for the Head Constables and Constables should be constructed with corrugated zinc walls and Mangalore tiled roofs, so that they may be easily removed in the event of the locality first selected is found to be not sufficiently centrical or unsuitable in other ways.

The entertainment of a special Detective Force consisting of a Chief Inspector, an Inspector, three Head Constables and fifteen Constables, and estimated to cost Rs. 12,000 per annum, for the special protection of the Mines, for the suppression of theft of gold, and

for watching the dealings of the employees of the Mines with persons in the neighbourhood. The Gold Mining Companies have agreed to pay Rs. 12,000 per annum as the cost of this Force.

8. The Government require no contribution from the Mining Companies towards the cost of the ordinary Judicial and Police establishments on the Fields, which will always be maintained according to the scale considered necessary from time to time. They are accordingly pleased to sanction the proposals referred to in clauses (1) to (5) of the last preceding paragraph, which involve an increased annual cost to the State of Rs. 23,794 for establishment, staff, &c., and a lump sum expenditure of Rs. 65,000 for buildings, as per details given in Statements A, B and C, appended to these Proceedings. The contribution of Rs. 12,000 per annum promised by the Mining Companies will, however, be accepted, as it is intended to meet the cost (as per appended Statement D) of the extra Detective Staff required to watch the outside dealings of the Companies' own employees under the special circumstances referred to in para 3 above, and of payments of rewards to informers; and the Comptroller will be requested to recover periodically from the Gold Mining Companies the contribution in question.

9. Pending the appointment and arrival of the proposed Superintendent of Police, the Inspector General of Police and the Deputy Commissioner of Kolar are requested to make all necessary arrangements, including the entertainment of additional hands, for carrying out the scheme. The Chief Engineer and Secretary to Government, Public Works Department, is requested to take early steps for the construction of the buildings referred to above, bearing in mind the movable character of the Police Lines proposed to be built.

10. The Inspector General's recommendation to arm the Police of the Gold Fields with breech-loading guns, in the place of the muzzle-loading guns now in use, will receive separate consideration.

Transfer of the Services of Mr. Mainwaring of the Madras Police to the Mysore State.

Directing publication in the *Fort St. George Gazette* of a notification placing the services of Mr. Mainwaring at the disposal of the Government of India, Foreign Department, for employment in Mysore; fixing his pay and allowance during such employment; and forwarding copy of the Proceedings to the Government of India.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers :—

From the Honourable Lieutenant-Colonel D. ROBERTSON, C.S.I., Resident in Mysore, to the Chief Secretary to the Government of Madras, dated Bangalore, 1st October 1900, No. 5049.

With the permission of the Government of India in the Foreign department I have the honour to apply for the transfer of the services of Mr. Mainwaring, of the Madras Police, to the Mysore State for a period of three years.

2. It is proposed to employ Mr. Mainwaring on the important business of reorganizing and working the Police on the Gold Fields under Mr. Carr, who is himself an officer of the Madras Government Police lent to Mysore.

3. The Darbar will pay Mr. Mainwaring such salary, not exceeding Rs. 1,000 per mensem, as the Madras Government consider his status would justify, in addition to the usual leave and pensionary contribution.

4. If the Madras Government are pleased to sanction this proposal, it would be convenient if Mr. Mainwaring could join and report himself to Mr. Carr at an early date.

No. 2571, Judicial.

Referred to the Inspector-General of Police for remarks, which, it is requested, may be submitted through the Accountant-General.

(By order.)

4th October 1900. (Signed) A. R. KNAPP,
Under Secretary.

To the Inspector-General of Police.

From H. A. STUART, Esq., I.C.S., Acting Inspector-General of Police, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 11th October 1900, No. 3599.

In reply to your endorsement No. 2571, Judicial, dated 4th October 1900, I have the honour to state that the services of Mr. Mainwaring can be placed at the disposal of the Mysore State at once.

2. I recommend that Mr. Mainwaring should be given the salary and allowances which the officer immediately below him on the Madras list may receive *plus* a local allowance of Rs. 100 per mensem. Mr. Mainwaring is now in the fifth grade of Superintendents, but he is acting in the fourth grade and therefore draws a salary of Rs. 700 per mensem.

3. No mention is made of exchange compensation allowance, but I presume it will be given.

Pen. No. 422 C./7461.

Submitted to Government with the remark that there is no account objection to the sanction being accorded for the loan of the services of Mr. Mainwaring to the Mysore State.

As regards pay, Mr. Mainwaring is now in the fifth grade of Superintendents on a pay of Rs. 600, and has been acting in the fourth grade on a salary of Rs. 700 a month with effect from the 2nd May 1900. Assuming that it is unlikely that he will revert, his pay, during the period of his employment in the Mysore State, should not ordinarily exceed Rs. 800, the pay of the grade to which he would next rise if he remained in the British service (*vide* article 806 (iv) (1) of the Civil Service Regulations and the note thereunder). Should Government, however, be pleased to hold that Mr. Mainwaring's duties in the Mysore State will entail unusual responsibility and require special capacity, he may be granted such salary as the Government may see fit to sanction, not exceeding Rs. 1,000 a month as proposed by the Mysore State.

Fort St. George,
17*th October* 1900.

(Signed) T. H. S. BIDDULPH,
Accountant-General.

To the Chief Secretary to Government.

Order—No. 1617, Judicial, dated 5th November 1900.
